

Haitong Hong Kong Equity Investment Fund 海通香港股票基金

Important Information 重要提示

- Haitong Investment Fund Series Haitong Hong Kong Equity Investment Fund (the "Sub-Fund") is an investment fund and not a bank
 deposit. There is no guarantee of the repayment of principal. The Sub-Fund's investment portfolio may fall in value due to any of the key
 risk factors below and therefore your investment in the Sub-Fund may suffer losses.
- The "Sub-Fund" is subject to risk to derivative risk, currency risk, hedging risk and risks relating to equity securities, including but not limited to, changes in investment sentiment, political and economic conditions, regional or global economic instability, issuer specific factors, currency and interest rate fluctuations.
- The Sub-Fund's investments are concentrated in Hong Kong equity securities. The value of the Sub-Fund may be more volatile than that
 of a fund having a more diverse portfolio of investments.
- The Sub-Fund may invest in the securities of small and / or mid-capped companies. The stock of small- and mid-capped companies may
 have lower liquidity and their prices are more volatile to adverse economic developments than those of larger-capped companies in
 general. Investing in these securities may expose the Sub-Fund to other risks such as less publicly available information and greater
 utherability to fluctuations in the economic cycle.
- RMB is currently not a freely convertible currency and is subject to exchange control policies and restrictions. Any divergence in the CNH
 / CNY exchange rate may adversely impact the value of the RMB classes and their investors. Investments in RMB classes by non RMB
 based investors are subject to foreign exchange risk, investors will incur currency conversion costs.
- Investor should consider their own risk tolerance level and financial circumstances before making any investment decision. When
 investors are in doubt as to whether the Sub-Fund is suitable for themselves (including whether it is consistent with their investment
 objectives), investor should seek independent financial and / or professional advice and choose most suitable for themselves taking into
 account their circumstances.
- The past performance information presented is not indicative of future performance. Investments are subject to investment risks and the
 value of units may go down as well as up. The product(s) may not be suitable for all investors and investment return.
- This Factsheet is neither an offer nor solicitation to purchase / redeem units the Fund mentioned herein. Certain information contained in this Factsheet is obtained and prepared from sources which Haitong International Asset Management (HK) Limited ("HTNAMHK") believes to be reliable. HTNAMHK and data providers make no guarantees, representations or warranties and accept no responsibility or liability as to its accuracy or completeness of those information provided by the third parties. SFC authorization is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance. It does not mean the scheme is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors.
- Investors should not invest based on this Factsheet alone. The investor should read the offering documents (including Product Key Facts) of the Sub-Fund for further details including the risk factors before making an investment decision.
