NOTICE TO UNITHOLDERS

Dear Investors,

Haitong Investment Fund Series (the “Fund”)

- **Haitong Hong Kong Equity Investment Fund**
 - **Haitong Korea Equity Investment Fund**
 - **Haitong Asian High Yield Bond Fund**
 - **Haitong China A-Share Investment Fund**
 - **Haitong US Equity Investment Fund**
 - **Haitong Japan Equity Investment Fund**
- (each a “**Sub-Fund**”, collectively, the “**Sub-Funds**”)

We, as the Manager of the Fund and the Sub-Funds, are writing to inform you of certain changes to the Fund and the Sub-Funds.

A. Change in switching fee applicable to the Sub-Funds

Unitholders may (subject to the limitations stated in the Explanatory Memorandum) convert all or part of their Units of any Class relating to a Sub-Fund into Units of any other Class in the same Sub-Fund or into Units of another Sub-Fund available for subscription or conversion.

The current rate of the switching fee payable by Unitholders on the conversion of Units is “nil”.

With effect from 1 June, the switching fee payable by Unitholders on the conversion of Units will be up to 2% of the subscription amount of the Sub-Fund/Class being switched into. The actual level of switching fee will depend on the distributors through which the Unitholders subscribed for their Units of the Sub-Funds. Unitholders who intend to switch their Units should check with their respective distributors for the applicable level of switching fee.

The offering documents of the Sub-Funds have been amended to reflect the above changes.

B. Updates in relation to subscription charge, redemption charge and switching fee

The offering documents of the Sub-Funds have been updated to provide that the actual level of subscription charge will depend on the distributors through which the Unitholders subscribe for their Units of the Sub-Funds. Unitholders should check with their respective distributors for the applicable level of subscription charge.

Also, it has been updated in the offering documents of the Sub-Funds that Unitholders shall be given not less than one month's prior notice should there be any increase of the subscription charge, redemption charge and switching fee from the current level stated in the offering documents to the maximum level.

C. Update of disclosures relating to the RMB Qualified Foreign Institutional Investors regime

On 25 September 2020, the China Securities Regulatory Commission (“CSRC”), the People’s Bank of China (“PBOC”), and the State Administration of Foreign Exchange (“SAFE”) jointly issued the Measures for the Administration of Domestic Securities and Futures Investment by Qualified Foreign Institutional Investors and RMB Qualified Foreign Institutional Investors (CSRC Decree No. 176) and the Provisions on Issues Concerning the Implementation of the Measures for the Administration of Domestic Securities and Futures Investment by Qualified Foreign Institutional Investors and RMB Qualified Foreign Institutional Investors (CSRC Announcement [2020] No.63), which came into effect on 1 November 2020. The major revisions to the previous rules include merger of the Qualified Foreign Institutional Investors (“QFII”) regime and the RMB Qualified Foreign Institutional Investors (“RQFII”) regime, relaxation of qualification requirements and facilitating investment and operations of QFIIs and RQFIIs, expansion of investment scope and enhancing ongoing supervision.

In light of the above, the disclosures relating to the RQFII regime in the offering documents of Haitong China A-Share Investment Fund have been updated accordingly.
